PASSAU

A valid certificate from the BASIC webinar is required for registration.

# MSR-ACADEMY Advanced 2025

Training from 25 - 26 June 2025.

---

Dear Ladies and Gentlemen,

We are pleased to offer you the following ADVANCED TRAINING in June. You will receive important information on the latest products, approvals and other technical highlights. You will also learn about the latest developments in gas detection technology and detailed product knowledge of the MSR product family. Practical exercises of complex application examples are another important component.

With this training course, you will receive our free Premium-Support-Code for 18 months.

## NEW LOCATION: mk | Hotel in Passau

Please reserve your room by 4 May 2025 at the latest.

## REGISTRATION

Please register for the Advanced Training by 4 May 2025 via the button below.

The number of participants is limited.

The costs for training and catering are 240,- EUR incl. VAT per person.

(Costs for arrival/departure and accommodation/breakfast are to be borne by the participant).

## REQUIREMENTS FOR YOUR PARTICIPATION

- A valid BASIC certificate
- Own laptop (at least Windows version 10)
- PCE06 calibration and configuration software or the latest version of the STL06 service tool (if not yet available, please order on the registration form)

We look forward to your participation.

Kind regards

A handwritten signature in black ink, appearing to read "Benedikt Winkler", is positioned above the printed name.
